Student Announcements

Marvel or DC? Star Wars or Star Trek? Harry Potter or Dr. Who? It doesn't matter! All are welcome to join the Comic Book / Sci-Fi Academic Prep. Set a course for room 702 and sign-up before school or after school. You would have first lunch. Space is limited. Sign-up today!

Congratulations to our 2022-2023 Yearbook "A Year in Our Shoes" as it received a 1st Place Ribbon at the Del Mar Fair Grounds! Way to go Yearbook Staff!!

Yearbook has some openings this year!! We need you! No art or creativity experience needed! This is a great opportunity to help build the school yearbook!! Why choose Yearbook? When a student is able to show that they were an active member of a hard working team, it helps showcase their overall skills in multitasking, socializing, developing ideas from concept to execution, and everything in between. A well-rounded portfolio is very important in whichever direction you choose to move forward in your academic career.

If you are interested, please scan this code and fill out the google form! We also welcome Yearbook theme ideas, too! The code is posted on your yearbook page which can be accessed from the Front page of the Standley Website! See Ms. Botts in Room 513 if you have questions!

Basketball and Track and field sign-up deadline has been extended to tomorrow! Please visit sdusdathletics.com or look for the QR codes around campus for sign-up information! Information for students that signed up should be going out this weekend! Good luck!

Have a **Thoughtful Thursday!**
