Books on display in our library:

We have had books on display for the past 2 weeks to celebrate Hispanic Heritage Month which takes place September 15 to October 15 every year. These books recognize and celebrate the many contributions of the American Latino community.

Additionally, this week is Banned book week which celebrates the freedom to read challenged books and brings attention to books that have been banned from libraries and schools.

Lastly, we have books on display to celebrate LGBTQ+ history month. These books help showcase gay rights & civil rights movements.

If interested please stop by the library to check out any of these books. Or if you need a book recommendation please ask Mrs. Dowling.
