Good Morning Standley Staff and Students, please rise for the Pledge of Allegiance. Put your right hand over your heart. (Pause) Ready, begin: **I pledge allegiance to the flag of the United States of America, and to the Republic, for which it stands, one nation under God, indivisible, with liberty and justice for all. Thank you, you may be seated.**

**Student Announcements**

Standley Middle School Athletic Rosters will be posted on Mr. Hartman's door as they become available. Congratulations to the Boys & Girls that made their Basketball teams! Remember the Winter sports are Soccer & Volleyball, and in the Spring we will have both Boys & Girl's Flag Football. Good luck on your upcoming seasons! See Mr. Hartman at lunch if you have any questions.

Attention Drama Club Members! Beginning today, we will be meeting four times per week: Monday and Thursday during second lunch and Tuesdays and Thursdays after school. All meetings will be in room 609. If you need a pass for today's meeting, swing by room 601 during your lunch and pick one up from Mr. Carroll. See you today during second lunch!

This week is National Suicide Prevention Week. Each day we will share messages of hope and information. Mental health is all around us, but often is misunderstood. We all have mental health, and it is important at all stages of life, from childhood and adolescence through adulthood. Our mental health includes emotional, psychological, and social well-being. It affects how we think, feel, and act every day. It also helps determine how we handle stress, relate to others, and make choices. Talking about mental health and suicide can be an uncomfortable and uncertain topic that can bring up different feelings, beliefs, and attitudes for everyone. Changing the narrative on Mental Health and Suicide, empowers conversations to start in the hopes to change perceptions of mental health towards hope and resilience. If you or someone you know needs help, please see your school counselor or a trusted adult.
